Dear Parents,

What a brilliant week we had of learning last week. It was such a pleasure to catch up with so many parents during our Getting to Know You Interviews on Thursday night and the Family Fun evening was just as much fun. It was so wonderful to see so many of our new Prep families in attendance in as well.

We also want to remind our parents that the staff carpark is only for staff car parking. Students should not run through the car park in the morning as it poses a safety risk.

Last week we sent home a survey to our parents on our 1:1 iPad Proposal. This directly influences all of our students and so we would appreciate if you could fill out the survey online if you have yet to do so. Further decisions about the program will be made depending on the response to our survey.

We have noticed some students have not been bringing their plastic pockets back to school every day. It is important these are returned to school every day, as they are used for important communications.

We are still waiting on a few students to bring their library bags and art smocks to school. Students have art on Tuesdays and library on Fridays and can not borrow without bringing their library bag.

Our canteen begins on Wednesday this week. More information can be found on our school website.

Our excursion notice to Anakie Fairy Park went out last week. We would appreciate if parents could return the form as soon as possible. We have to order a bus which will accommodate all of the students attending and so we need excursion forms back as soon as possible.

Have a wonderful week of learning,
Luke Van Leuveren, Brogan Badrock, Cathy Jacobs, Marcia Cartwright
