**This week’s news:**

**Dear Parents,**

We hope you and your family had a wonderfully relaxing long weekend.

June the 19th will be our mini beast open day from 2:30 - 3:30. All of our families are invited to our Junior Learning Unit to see all of the wonderful work that the children have been completing during their inquiry learning unit on creepy crawlies.

On June the 20th reports will be sent home with your child. Parent Teacher conferences are scheduled for the last week of term. If you haven’t yet scheduled in an interview time with your child’s teacher then we encourage you to do so as times are filling up fast.

We have been holding our assemblies in the Junior Learning Unit recently. It’s been working remarkably well and we have decided to continue having them in the Junior Learning Unit for the foreseeable future. With our gym undergoing refurbishment towards the end of the year

June the 28th is the final day of Term Two. There will be a whole school assembly at 2:00pm in the Junior Learning Unit and students will be dismissed at 2:30pm.

Have a wonderful week,

Luke Van Leuveren, Brogan Badrock, Cathy Jacobs, Marcia Cartwright

---

**This week’s learning:**

This week our students are completing a wonderful activity on Flat Stanley. We sent home a note on Thursday which we need returned back to school as soon as possible, so that we can begin our Flat Stanley letter writing as soon as possible.
