

**Wantirna**  
Primary School

# Fly into Foundation, 2016

Wantirna Primary School focuses on developing a strong sense of community, where all are valued.

Our Kinder to School Transition Program aims to ensure that preschool children enrolled for 2016, and their parents, feel a part of our school community as they start their education journey.

Our carefully planned Transition Program is aimed at providing a number of positive experiences of school life during the year prior to your child commencing at Wantirna Primary School.

**WHEN DO I NEED TO ENROL MY CHILD?**

To ensure a smooth transition it is important that your child is enrolled at Wantirna Primary School as soon as possible. Children do not need to be enrolled to attend a transition session!
